Councillor Terrence Brown
Also Present: Town Clerk Reid

Councillor Joe Brown

A special meeting was called to discuss the matter of an extension to the Municipal Building for exercise equipment and a fitness room. Mayor Pilgrim, who attended a meeting with the Recreation Committee to discuss this matter prior to the Council meeting, gave his letter of support to go ahead with the construction as he would not be able to attend the special council meeting.

Clerk Reid read the letter from the MBRC and Council had a discussion. Some questions were raised pertaining to the size of the building (24'x 30'), who would be applying for funding (WBCDA through JCP) and who would be paying for the hydro? (Would be the responsibility of the MBRC). All agreed that a budget for materials would have to be done beforehand and passed to WBCDA.

Councillor Zoey Whiteway/Councillor Terrence Brown

Move to allow WBCDA to apply for a JCP to have an extension erected to the Town building for exercise equipment and a fitness center.
